5.2. Grant programs provided by Council must be identified and described in Schedule A of this bylaw. Schedule A is considered to be part of this Bylaw and may only be altered by a Resolution of Council of this Grants Bylaw.

6. Objectives

- 6.1. The RMEK Grant Programs are designed to help the community of Eastern Kings by supporting those individuals and groups who have small but powerful ideas and programs to bring people together and enhance the growth of youth, senior, recreational, artistic and cultural events and activities. Projects proposed for funding are required to meet at least two of the following objectives:
- (a) Connect and engage the residents of Eastern Kings;
 - (b) Provide opportunity(ies) for local residents to share their skills and knowledge with other residents;
 - (c) Celebrate and showcase local talents, public and private spaces, art, culture and local food;
 - (d) Make meaningful contributions or give back to the community of Eastern Kings;
 - (e) Highlight diversity within the community and develop learning experiences;
 - (f) Provide events that are accessible and socially inclusive for all residents; or
 - (g) Develop events and activities that may occur on an annual basis.

7. Principles

- 7.1. The principles governing RMEK Grant Programs include:
- (a) Council recognizes that, through the provision of grants, Council is committed to providing financial assistance to individuals and groups offering services, activities and programs in the interests of the municipality.
 - (b) Council is committed to treating requests for grants from these groups and individuals in a consistent, fair, and equitable manner, subject to available budget.
 - (c) Council promotes public awareness of the principles and guidelines by which Council is:
 - (i) providing an accessible, open, and transparent application and decision-making process for considering and responding to requests for grants; and
 - (ii) establishing a timeline for the submission and processing of such requests, so that Council can conduct a meaningful comparison and achieve an equitable distribution of support.
 - (d) Council advertises the Grants Programs and application process through its website and Face Book page.
 - (e) Council recognizes that there may be worthy requests which may not fit within this statement of general principles and guidelines. Nothing in the bylaw prevents Council from making grants to entities at times and for purposes outside the scope of this bylaw.

8. Conditions

- 8.1. Funding will be awarded to groups or individuals offering services, products or activities in the best interests of the municipality.
- 8.2. Those eligible for funding are not required to live within the boundaries of the municipality but the project/activity must take place within the municipality.

- 8.3. All grants will be approved and awarded in accordance with sections 142, 143, and 158 of the Act.
- 8.4. Businesses are not eligible to apply.
- 8.5. Applicants are eligible for only one Small Grant per year.
- 8.6. All applicants are required to submit a detailed application meeting all criteria by the established deadline.
- 8.7. All projects must be completed within the fiscal year in which the funding was granted. If there are circumstances that slow or halt a project, applicants must make a report to Council on the funds that were released for that project. The Council will set a new deadline for project completion and ensure that funds are appropriately allocated.
- 8.8. All projects approved under the Grants Programs may be promoted on the municipality's Facebook page or website.
- 8.9. All recipients of the Grants Program are required to publicly acknowledge the donation through their own promotional materials, social media or websites. Use of the Municipal logo must be approved through the RMEK CAO.

- 9.3. Project Coordinators or representatives are expected to attend the Financial Plan Meeting (usually held in March) to share their project report.

10. Restrictions

- 10.1. Actual amounts allocated for grants will be based upon funds available in that particular fiscal year.
- 10.2. Unless otherwise approved by Council, no grant monies will be paid until the annual budget has been approved.
- 10.3. Grant monies allocated to an individual or organization will be used first to clear any debts owing to the municipality by the individual or organization. The balance of any remaining funds will then be forwarded to the individual or organization project.

11. Funding Limits

- 11.1. Municipal grant funding to any individual, organization or event in any one year will be based on available funds recognized and approved during the annual budget process. Council has the discretion to increase the grant budget for extraordinary, one-of-a-kind projects.
